

Text
Classification

```
graph TD; A[Text Classification] --- B[Aspect Level]; B --- C[Document Level]; B --- D[Sentence Level]
```

The diagram illustrates a hierarchical structure for text classification. At the top is a box labeled 'Text Classification'. A vertical line connects it to a box labeled 'Aspect Level' in the center. From the 'Aspect Level' box, two horizontal lines extend outwards to connect to 'Document Level' on the left and 'Sentence Level' on the right. All boxes are white with black outlines and rounded corners.
